

PREKMURSKI TURISTIČNI VRTILJAK

PREKMURJE
TOURIST CAROUSEL

ABOUT THE PROJECT

Project Prekmurški turistični vrtiljak (Prekmurje Tourist Carousel), co-financed by the Ministry of Agriculture, Forestry and Food, within the public tender under sub-measure 19.3 »Preparation and implementation of cooperation activities of the local action group,« with the financial assistance of EAFRD fund, connects LAG With the kind people 2020 and LAG Goričko 2020. In addition to the presented mobile geomatic application, numerous educational workshops were carried out within the operation, the network of tourist providers is established and numerous providers from areas of both LAGs are included in the application.

This leaflet was created within the implementation of the sub-measure »Preparation and Implementation of cooperation activities of the local action group«, with the financial assistance of EAFRD fund. Lead partner of LAG With the kind people 2020, Društvo za trajnost virov SI.ENERGIJA, is responsible for the content. The managing authority appointed for the implementation of the Rural Development Programme RS 2014-2020 is the Ministry of Agriculture, Forestry and Food.

MOBILE GEOMATIC APPLICATION

VISIT

Find the hidden corners of Prekmurje, known and less known sights, each of them fascinating in their own way.

TASTE

Prekmurje enthralls with its cuisine even such a demanding guest. Taste authentic homemade dishes, such as dödöli (potato dumplings with sour cream, pork cracklings and roasted onion), bograč (a traditional stew made of at least 3 different sorts of meat), meso iz tünke (meat stored in minced lard), prekmurska gibanica (Prekmurje layer cake) and other delicacies.

SPEND THE NIGHT

Since Prekmurje is too big to sightsee in one day, find boutique accommodations, where you will feel at home.

EXPLORE

Rent a bike or set out on the road on foot and explore still undiscovered pearls of Prekmurje rural areas.

EXPERIENCE

Let your stay be imbued with diverse adventures, which you can find in Prekmurje plain.
